February 2010

#### Re: **Fourth Annual ISDD Charitable Golf Tournament**

The Institute for the Study of Disadvantage and Disability (ISDD) is pleased to announce the Fourth **Annual Golf Invitational** on **Tuesday, May 18, 2010**, at Bear's Best in Suwanee, Georgia. We thank you for your past support of this event and are hoping to count on you again this year. Bear's Best, which is rated one of *Golf Magazine's* "Top ten you can play in America", is one of only two golf courses IN THE WORLD with 18 of Jack Nicklaus' most memorable golf holes!

**ISDD** is a 501(c)(3) not-for-profit organization dedicated to the understanding of the relationship between a child's environment and his or her chances of success in life by making a positive difference in the lives of children with disabilities and their families. Our projects range from academic University-based research studies, such as Break the Cycle, to service programs such as Project GRANDD, which supports grandparents who are struggling to raise their grandchildren with disabilities. We are commencing a new project called Healthcare Without Walls for which we will provide healthcare services to the children whose mothers are in a drug treatment program.

By sponsoring this event, you will be promoting your company to a group of people who are loyal to their sponsors and you will also connect with many area professionals participating in this event. Your contribution will help make the necessary resources available to support the activities of the ISDD in continuing to make a difference in our society that will benefit our children and our society for the future.

This is an opportunity to show your company's commitment to improving the lives of children and their families in need. We are offering various levels of sponsorship to meet all your budgetary needs. Please see the attached sponsor form and, for more information, be sure to visit our tournament website at: [www.isdd-home.org](http://www.isdd-home.org) (look under "upcoming events").

Now, more than ever, families who have children with disabilities are under stress that is compounded by the current rate of unemployment and economic hardship and depend on ISDD for much needed support. We realize that in this unsettled economic climate, you are being called on to make difficult choices, and we hope you will choose to participate in the ISDD Fourth Annual Golf Tournament – this way you can enjoy a premier course, great company and at the same time make a great contribution to those in need. We look forward to seeing you at Bear's Best on May 18!

Sincerely,

**MICHAEL J. BOOSEL AND ERNY C. BONISTALL, CO-CHAIRS**  
**MAURICE SHOLAS, MD, PHD, HONORARY HOST**
