Dear Ms. Nodvin:

Thank you for thinking of me and my office when you brought by the tote bag filled with useful items from your organization. I believe we took a picture with several members of GRANDD during your visit to the Capitol. I hope you were able to retrieve a copy off of my website.

I was especially inspired by the personal letters from grandparents who are raising special needs children. Thank you for these personal stories and please convey my best wishes to everyone involved in Project GRANDD.

Sincerely,

A handwritten signature in cursive script that reads "Nathan Deal".
