For each statement, please tell which response best describe how that statement applies to you:	Very True	Mostly True	Somewhat True	Mostly Not True	Not at all True	% True (Very, Mostly, Somewhat)	% not True
When problems arise with my grandchild, I handle them pretty well.	31	25	7	0	1	98%	2%
I feel confident in my ability to help my grandchild grow and develop.	42	18	2	1	1	97%	3%
I know what to do when there are problems with my grandchild.	38	14	10	1	1	97%	3%
I am able to get information to help me better understand my grandchild.	40	19	3	1	1	97%	3%
When I need help with other problems in my family, I am able to ask for help from others.	34	22	6	0	0	97%	3%
When necessary, I will look for services for my grandchild and family.	44	17	3	0	0	100%	0%

Are there any service or services that you need but have not been able to get?

45 responses: No

19 responses: Yes - please describe what service or services:

- Hygiene products, such as deodorant, soap, and personal products for young girls
- Assistance with housing, food, and bills
- Additional tutoring
- Transportation assistance
- mentors

Departing from the DAS survey tool, we also posed two questions about our support groups, did the respondent participate in them and if so, how helpful did they find them to be?

94% identified themselves as support group participants and 100% found the support groups to be beneficial of this 90% found them to be mostly to very beneficial and 10% found them to be somewhat beneficial.
